## Jul 06 (\$15/18) Woody Guthrie Festival Preview

The very special evening will feature Terri Hendrix, Ronny Elliott, Don Conoscenti, and Lisa Curl. Almost 50 acts will perform next week in the 10<sup>th</sup> annual Free Woody Guthrie Festival in Okemah OK. These four are a sampling of the variety of musical styles that you'll find there. We are closed next week so that our volunteers and audience can attend this free folk music extravaganza. The festival exists to further the music of Woody and to support the works of the Huntington's Disease Foundation. Just three hours away from Dallas, Okemah is the place to be next week. Terri Hendrix  
w/ Lloyd Maines

Her exuberance is contagious! Terri's pop-folk songs are built on insight and compassion framed with wit and intelligence, and furnished with a passionate upbeat persona. Lloyd is a masterful guitarist on 6 strings and Dobro. They're Texas' hottest act and one of our faves.

They'll anchor our show with a full set, and Terri's new CD, *The Spiritual Kind*, to be released next month, will be available tonight! [terrihendrix.com](http://terrihendrix.com)

Ronny Elliott

If his name is missing from your household word list, just dig into the musical conscience of Steve Young. Recall Butch Hancock's straight forwardness. Think of Woody's 'everyman's' outlook. Play a Johnny Cash spiritual. Read Leonard Cohen's prose. Remember Phil Ochs' protest songs. Now add Ronny's name.

Don Conoscenti

A "Favorite Performer of the Year" to many new-folk music fans, Don is known for his dynamic persona, vibrant voice, soulbarring songs and instrumental prowess. His vagabond stories are jewels of a life well traveled. It's been many years since Don was last featured on our stage: Come welcome him back home!

Lisa Curl

This Oklahoma native is new to Uncle Calvin's, but we are predicting she will be invited back many times. Lisa writes edgy contemporary songs of love and romance — sometimes dreamy, sometimes wide awake and rockin' — all presented in a captivating voice.

## Jul 20 Don Conoscenti

Don is one of the featured performers in our July 6 Woody Guthrie Festival Preview show. Since he'll have only enough time in that show to give a sample of his magnificent musicianship, we know you'll be longing for more. Tonight it's all Don, all the time! (except for the opening act)

## Special Guest: Jud Caswell

Here's a guy on his way up in the folk music scene. Jud won both the Kerrville and the Wildflower songwriting competitions last year and had featured shows at both of those fests this year. With his solid songwriting and performance he's become a real audience favorite.

## Aug 03 (\$15) Cadillac Sky

Here's the hottest "NewGrass" band on the scene, a five-piece explosion of a vibrant, energetic and exciting music mix that originates from such stalwarts as Bill Monroe and Flatt & Scruggs and The Beatles and Eagles. Tonight you'll hear the blinding banjo, melodious mandolin, frantic fiddlin', slapped bass, and flatpicked guitar that brought Ricky Skaggs' invitation to record for his Family Records and to their feature at the IBMA World of Bluegrass Show. Ross, the award winning fiddler, plays on Grand Ole Opry, and tours with Josh Turner and the CMA. Banjoist Matt won both the National and the Texas Banjo Championships. Mandolin/fiddle player Bryan has songs recorded by George Strait and Kenny Rodgers and guitarist Mike is always on the lookout for the perfect cheeseburger.

## Aug 17 Josh Alan

Known as The Czar of Atomic Acoustic Guitar, Josh is a virtuoso on the fret board. He tends towards the blues as he devises, so you won't hear the typical 12 bar stuff. This is organic music that pulses with rhythmic life, power and dynamic energy. Josh also croons on his originals and stylistic trads and even throws in some surf music. Long an Uncle Calvin's favorite, this show should be considered as a precursor to our November 25<sup>th</sup> anniversary shows. We just couldn't wait that long to bring Josh back!

## Sep 07 (\$12/\$15) Karen Mal - - Kim Miller

A writer of superb contemporary folk songs, Karen won the Wildflower Festival's National Songwriter Competition and is a finalist in both the Kerrville and the South Florida Fests New Folk contests. She's admired for her lithe, lilting soprano which she accompanies on mandolin and guitar. Along with contemporary works, Karen's repertoire includes Celtic and traditional influenced originals. Tonight we host the premier of Karen's brand new CD, *Spaces Between*.

Karen Mal

Kim Miller [karenmal.com](http://karenmal.com)

Imagination blossoms in the panoramas that Kim provides in her evocative songs. She sets the stage for the stories and actors, the script is hinted and your invitation to partner in the development of the action is persuaded by Kim's absorbing vocals. A childhood in boundless west Texas and hours of adult exploration into the intrigue of coral reefs lends openness to Kim's lyrics and passion to her performance. Tonight we celebrate the release of her new CD *Risk Of The Roar*.

## Sep 14 Jed Marum

Variety is the key word here. Jed's music covers a wide segment of folk music from the modern to the traditional with strong roots in American Celtic and Bluegrass. He's a storytelling songwriter, frequently delving into the historic Scottish, Irish and early American backgrounds and legends that form the basis of his songs. Tonight, Jed's guitar and banjo accompaniment will be augmented by that of Mason Brown.

## Sep 21 (\$12/\$15) Wishing Chair

Jim Bizer & Jon Krist

Tonight's show features two winners of the Great American Song Contest!

## Wishing Chair

Miriam & Kiya are award winning songwriters and performers who bring power and content to their hard-driving folk-rock songs for thinking people: Poetic songs of soulful confessions; songs of political broadsides; defiant anthems of personal choice; sonnets of love sung in glorious harmony.

## Jim Bizer & Jan Krist

With a shelf full of songwriting awards, Jim teams up with Jan's great works to bring us their variety of styles from blues, jazz, country, reggae, roots rock and modern folk. He's a fiery guitarist as well. Jan is a renowned writer of songs of modern social concern and faith.

## Sep 28 (\$15/\$18) Ruthie Foster

Her new CD is entitled *The Phenomenal Ruthie Foster* because that's what she is. And that's why Ruthie has garnered tens of thousands of fans nationwide in just a couple of years. Her down-home gospel, roots 'n' blues originals and favorites are given the power of a Texas tornado with Ruthie's voice and puts a roomful on its feet! With the new CD, Ruthie listens to her heart's calling and brings a soulful groove to her music and performance with flavors of rock, rhythm, and a sensual slow burn. Consider this show as a prelude to our November anniversary shows which will feature many performers who've helped put us on the map, as we have done for them.

**Notes from Uncle Calvin's:**

We will be taking short vacations through the Summer, so check our schedule before you do a Friday night routine and find our doors closed. Part of the reason for the closings is low seasonal attendance, so it's even more important that you come out when we are open.

We appreciate your on line ticket orders so much that the first 30 tickets sold on line will each come with an "Early Entry" pass that will get you the prime seats before doors open to the rest of the audience. Plan to be here for each of our 25<sup>th</sup> Anniversary shows in November!
